Did you see this, it's pure evil...
Think about what these monsters are doing.
Once again, Satan's the great deceiver,
And these two are doing his bidding.
How many have died because they funded the Wuhan lab?
Where is America's common sense?
God help us!

Can't wait to vote out this disaster of a President and every Democrat possible.

I will never vote for a Democrat as long as I have breath. They would literally have to kill me.

The left has an agenda,
They don't care who get hurt,
As long as their propaganda pushes their agenda.
How many have died because of the wrap up smear.
The days are evil because the left's pushing an agenda.
It keeps evolving without any accountability...
